

What's Covered:

1. **Powertrain Components:**
 - Engine, Transmission, Driveshafts and axles, Differentials, Transfer case
2. **Suspension System:**
 - Shocks, Control arms and ball joints, Springs and stabilizer bars
3. **Electrical System:**
 - Wiring harnesses, Starter motor and alternator, Battery (covered for 1 year) Electrical control units (ECUs), Lights and indicators (manufacturing defects only)
4. **Steering and Braking:**
 - Power steering system, Steering column and rack, Brake callipers, master cylinder (not pads and rotors after normal wear)
5. **Cooling and Fuel Systems:**
 - Radiator and cooling fans, Water pump, Fuel injectors and fuel pump
6. **Interior and Exterior Components:**
 - Factory-installed interior electronics, Body panels, trim, and paint (defects only)
7. **Labor Costs:**
 - Labor for repairs covered under the warranty.
8. **Roadside Assistance:**
 - Complimentary for the duration of the warranty period.

What's Not Covered:

1. **Normal Wear and Tear:**
 - Tires, Brake pads and rotors, Windshield wipers, Light bulbs, CVT Clutch belts (wear-related damage)
2. **Consumable Items:**
 - Oil, air, and fuel filters, Fluids (coolant, oil, brake fluid), Belts and hoses
 - Batteries (after 1 year)
3. **Regular Maintenance:**
 - Oil changes, Tire rotations, Brake inspections and fluid top-ups, General vehicle tune-ups
4. **Cosmetic Damages:**
 - Scratches, dents, and paint fading (not caused by manufacturing defects)
5. **Misuse or Abuse:**
 - Racing or off-road misuse beyond designed capacity, Overloading the vehicle, Damage caused by accidents or collisions
6. **Environmental Damage:**
 - Rust or corrosion, Damage from extreme weather (floods, hail, etc.)
7. **Modifications or Non-A-THON Parts:**
 - Damage caused by aftermarket modifications or non-genuine A-THON parts.
 - Performance upgrades that are not authorized by A-THON.
